- Get with the director and decide where shirt/poster/ticket designs are coming from, designs will usually be up to Mr. Rapp (the graphic design teacher, if you're reading this and he doesn't work there anymore, you're missing out), the director, or you.
- Occasionally for some shows, car painting is an option. It's a great way to get the word out, so see how many cast/crew members would be up for getting their back windshield and/or windows painted. If you're going to paint cars, make a stencil and buy some glass paint from hobby lobby and 'okay' the stencil designs with the director.
- Once you have designs for posters, tickets, and shirts, the director will order the amount of shirts needed, and you contact Toucan Printing to get the posters printed. Ask the director how they would prefer the tickets to be printed.
